Group Auto Union International Recognises Federal-Mogul As a Top Supplier

GAUI Bronze Award Highlights Product Quality, Shipping and Support

Aartselaar, Antwerp, Belgium...For the fourth consecutive year, Federal-Mogul Corporation's (NASDAQ: FDML) Global Aftermarket operation has been recognised as one of the top three suppliers to Group Auto Union International (GAUI), a premier network of automotive and commercial-vehicle replacement components and related products.

The GAUI Bronze Award was presented by Group Auto Union International President and CEO Hans Eisner to Federal-Mogul's Martin Hendricks, vice president' Olivier Legrand, director of marketing; and Salvatore Nicchi, director of key accounts-Europe, Middle East and Africa, Global Aftermarket, during the network's annual supplier meeting in Madrid, Spain. GAUI each year recognises its top three suppliers based on criteria including product quality, shipping performance, marketing support and customer service excellence.

"To receive this prestigious award four years in a row is very special to us," Hendricks said. "Above all, this achievement reflects the long-lasting relationship and close cooperation we have with GAU members in each country, as well as our very strong strategic partnership with GAU International."

GAUI members stock and sell a broad range of Federal-Mogul products, including Abex[®] and Beral[®] commercial vehicle brake products, Champion[®] ignition components and wipers, Ferodo[®] light-vehicle brake products, Goetze[®] engine bearings and bushings, Necto[®] brake components, MOOG[®] steering and suspension components, and Payen[®] gaskets.

With 21 groups in 22 nations, GAUI is one of the major leaders in the international independent automobile parts and service market. The organisation's members operate nearly 1,900 points of sale. Its business concepts include Group

Auto Union distribution services for light vehicles and trucks, the EuroGarage network of independent garages for light vehicles, and Top Truck independent garages for trucks.
