SAFE HARBOR DATA PRIVACY POLICY

Federal-Mogul Corporation, its subsidiaries and its affiliates, respect the privacy of their customers, suppliers, employees and other persons with whom they deal in connection with their business operations. For this reason, Federal-Mogul Corporation and its affiliated U.S. entities (“Federal-Mogul”) have adopted this Safe Harbor Data Privacy Policy in compliance with the Safe Harbor Principles published by the U.S. Department of Commerce (“Principles”) with respect to personal data transferred from the European Union to the United States of America.

NOTICE

Federal-Mogul receives information from individuals in a variety of situations. For example, individuals may provide Federal-Mogul with personal data so they can (1) receive information regarding our products, (b) be considered for employment, promotions or reassignment within Federal-Mogul or (3) engage in business transactions with Federal-Mogul. We will use the information provided for the purposes for which it was collected.

CHOICE

Federal-Mogul does not share an individual’s personal information with any companies outside of the Federal-Mogul group of companies (which includes its subsidiaries and joint ventures throughout the world, hereinafter referred to as the “Federal-Mogul Group”) except as permitted by the Safe Harbor. Certain types of information (for example, resumes from individuals seeking employment) may be shared within the Federal-Mogul Group since we presume that individuals may be interested in any employment opportunities that may arise. Federal-Mogul will provide individuals the opportunity to choose (opt-out) whether their personal information can be used for purposes other than the purpose for which it was originally furnished.

With respect to “Sensitive Information” (i.e., information that reveals race, ethnic origin, political opinion, religious beliefs, union membership or that relates to health or sexual preferences) Federal-Mogul will not share such information unless specifically authorized by the individual to which the information pertains.

ONWARD TRANSFER

Prior to transferring personal information within the Federal-Mogul Group, Federal-Mogul will confirm that such information will receive the safeguards provided by this Safe Harbor Policy. Federal-Mogul believes that adequate safeguards are in place if the recipient of the personal information is (1) bound by contract to provide the same level of protection as is offered by this Safe Harbor Policy; (2) bound by the Safe Harbor Principles; (3) subject to the European Directive; or (4) subject to another European Commission adequacy finding. If Federal-Mogul discovers that the recipient is not abiding by its privacy obligations, it will take commercially reasonable steps to prevent such breach.

SECURITY

Federal-Mogul will take reasonable precautions to protect personal information from loss, misuse and unauthorized access, disclosure, alteration and destruction.

DATA INTEGRITY

Federal-Mogul will process personal information only in a way that is compatible with the purposes for which it was collected or subsequently authorized by the individual. Furthermore, Federal-Mogul will take reasonable steps to ensure that personal data is reliable for its intended use, accurate, complete and current.

ACCESS

Federal-Mogul will provide individuals with (1) reasonable access to personal information that it holds about them and (2) the reasonable ability to correct, amend, or delete that information where it is inaccurate or incomplete.
