Consumers who protect their driving safety by purchasing qualifying new ANCO® wiper blades in February or March can receive rebates of up to \$20 from Federal-Mogul.

Federal-Mogul is offering a \$15 rebate on each qualifying purchase of a pair of premium ANCO Contour® all-season wiper blades. A \$10 rebate is available per pair of new ANCO Profile™ wiper blades, and the company is offering a \$5 rebate per pair of ANCO AeroVantage® and Winter wipers. These blade purchases can be combined with an additional \$5 rebate on any AR-Series ANCO Rear Blade™ for a total of up to \$20 back. Purchases must be completed between Feb. 1 and March 31, 2012. Other program restrictions apply; see www.ANCOREbate.com for details.

“Replacing worn wipers is a proven way to increase driving visibility and help enhance on-the-road safety,” said ANCO Brand Manager Tracy Neil. “This special offer will help consumers save money on the industry’s finest wiper blades. And each blade can be quickly and easily installed on virtually any popular domestic or foreign nameplate passenger vehicle.”

Federal-Mogul has introduced highly consumer-friendly new online rebate redemption and tracking system that makes it easier than ever for consumers to submit, track and receive their rebates. Leveraging the latest technology in reward redemptions, customers will receive ongoing email communication concerning the status and timing of their rebate reward deliveries. Customers now also have the benefit of reward choice – check or direct payment to their PayPal account, or a prepaid cash card is an available alternative for rebates of \$15 or \$20.
